

Level 1 Class Descriptions: included FREE w/ Elite

TPC is excited to offer our level 1 training classes as an included part of this membership. The same staff and training methods that have helped to develop many of the area's top players is now available to you through our Elite program. Develop your players skills with on-going training in all skills and disciplines within the game.

Pitching - Develop consistency and velocity while promoting arm health and safety with our pitching classes. Work mechanics, command, off speed, velocity building and much more. Flat Ground, shadow and band work are included.

Softball Age Groups: 8—12, 13 & Up

Hitting—Develop your individual swing with our expert staff. Work on setup, balance, posture, bat path, pitch recognition and much more. Tee work, soft toss, front toss, shadow drills included.

Softball Age Groups: 8—12, 13 & Up

Fielding—This fielding specific class will address pre pitch set up, footwork, receiving, throwing and game situations. Players will go through a variety of short drills as well as field exercises during classes on our full indoor infield

Softball Age Groups: All

Catching—Catchers will work on set up, receiving, pitch calling, blocking and throwing. Often paired with a pitching class, Elite catchers will often have the chance to practice test their skills periodically catching live pitchers. Catchers participating are required to bring their own gear.

Softball Age Groups: 8 & Up

Speed/Power/Agility—Softball is an explosive , lateral and rotational sport. The speed/agility class is focused on improving player foot speed, quickness, linear, lateral and rotational power as well as joint stability and injury prevention exercises.
